HILLCREST COMMUNITY ASSOCIATION

www.hillcrest.org

COMMUNITY UPDATES—PARKING RULES

The Association's Parking Rules and Regulations remain in effect. Please ensure that you pass the information on to your tenants, if you rent out your unit.

"Any vehicle left in an open parking space in excess of 96 continuous hours will be cited or issued a warning letter by the Association. If the vehicle is not moved within 24 hours of receipt of the citation or the vehicle is reported to be stored a second time, the vehicle will be towed at the vehicle owner's expense."

While we understand that parking may be more difficult while the Stay at Home orders are in effect, the rules apply to every resident, so with everyone moving their vehicles, all are being affected in the same manner. If you do not have room in your garage for parking a vehicle, you may want to consider cleaning your garage prior to garage inspections and issuance of permits.

COMMUNITY UPDATES—GUTTER CLEANING

Your Board of Directors is soliciting proposals for the cleaning of the rain gutters. You will receive notice of the vendors name and dates of cleaning, once this has been decided.

In anticipation of this project, please make sure that your yards are clear and available to allow the vendor access to perform this job. Should the vendor not be able to access your yard on the projected date of service, a call back may result in the unit owner being responsible for payment. Watch for further details.

Stairway/Deck Plants—All potted plants must have a catch basin. No potted plants are permitted on the stairs or intermediate landings. No planters or flower pots are to be kept on ledges, shelves or railing, where they may fall onto a neighbor's property, with possible injury to anyone standing below, and your neighbors do not wish to have your plants dripping water onto them, when you water.

BOARD OF DIRECTORS:

President: Victor Lange
Vice-President: Vacant
Treasurer: Valerie Robertson
Secretary: Chris Hedger
Member-at-Large: Pam Elkins

NEXT BOARD MEETING:

**Monday, June 8, 2020
6:00 PM**

Due to Coronavirus Stay at Home orders, please contact Management or visit bulletin board to determine if Zoom meeting or at Audi Mission Viejo

The final agenda will be posted in the bulletin board by the pool & on the website. You may also obtain a copy of the agenda by contacting management at (949) 838.3225.

OWNER LIABILITY FOR DAMAGE; DUTY TO INSURE

RIGHT AND DUTY OF OWNERS TO INSURE - In accordance with Article IX, Section 9.03 of the Hillcrest CC&Rs, entitled "Right and Duty of Owner to Insure", each Owner has a duty to insure their Unit for losses that are below any deductible the Association maintains, for the entirety of any losses that would not be covered by the Association's insurance policy, and for any improvement and personal property within the Unit. Therefore, an Owner is responsible to insure their Unit for damage that occurs to components within the Unit for which they have the obligation to maintain, repair and replace.

INSURANCE CLAIM - To the extent the Association maintains insurance which may cover damage to a Unit component, an Owner making a claim under the policy is responsible for payment of his pro rata share of the deductible.

REPAIR AND MAINTENANCE BY OWNER - In accordance with Article II, Section 2.10 of the Hillcrest CC&Rs, entitled "Repair and Maintenance by Owners", each Owner has a duty to maintain, repair and replace the components of his or her Unit in a clean, sanitary and attractive condition. Each Owner must ensure that their Unit components are in good working condition. This includes toilets, faucets, icemakers, washing machines, showers and bathtubs, water heaters, cooling and heating systems, and other fixtures within the Unit utilizing water, including, but not limited to, the waterline connections and angle stops from the wall to the fixture. Each owner must periodically inspect all waterlines and fixtures utilizing water, and, where necessary, promptly make necessary repairs.

MAINTAINANCE OF PROPERTY - To the extent an Owner fails to properly maintain and repair their Unit components and the Unit component fails and causes damage to another Unit or Common Area, the responsible Owner is liable for the costs of repair to restore the damaged Unit and/or Common Area. Therefore, it is incumbent upon each Owner to obtain and maintain insurance which covers not only damage to his or her own Unit, but also for damage which may result to property other than his or her own Unit.

COMMON AREA DAMAGE - Article III, Section 3.07 of the Hillcrest CC&Rs, entitled "Damage by Member", requires each Unit owner to be responsible to the Association for any damage to the Common Area resulting from the negligence or willful misconduct of the Owner (including the Owner's family members, tenants and guests), and, after notice and hearing, provides that the cost of correcting such damage shall be charged to the Owner as a Special Assessment, subject to enforcement by lien and collection, the same as other Regular and Special Assessments. If the Association decides to make a claim against its insurance policy for damage to the Common Area caused by an Owner's negligence or willful misconduct, in addition to other charges, the Association may levy the cost of the deductible as a Special Assessment against the responsible Owner (s).

RIGHT OF ENTRY - Article VI, Section 6.02 of the Hillcrest CC&Rs authorizes the Association to enter a Unit, after three (3) days written notice to the Owner, for the purpose of performing maintenance and repair for components which the Owner is responsible, but fails to make. No notice of entry is required in an emergency, such as in the case where damage to another Unit or Common Area is threatened.

WATER LEAKS - Each Owner has the duty to promptly report all water leaks and evidence of leaks (such as water spots on ceilings, wet walls or floors, etc.) to the Association's management company. The Association will not be responsible for damage to a Unit which results from an unreported water leak. Prompt reporting of water leaks or evidence of water leaks allows the Association to investigate and make necessary repairs to minimize damage to the Common Area and Unit, with the goal of minimizing claims against the Association's insurance policy, which could result in increased premiums, which then results in increases in Regular Assessments to all Owners.
